BESCHREIBUNG

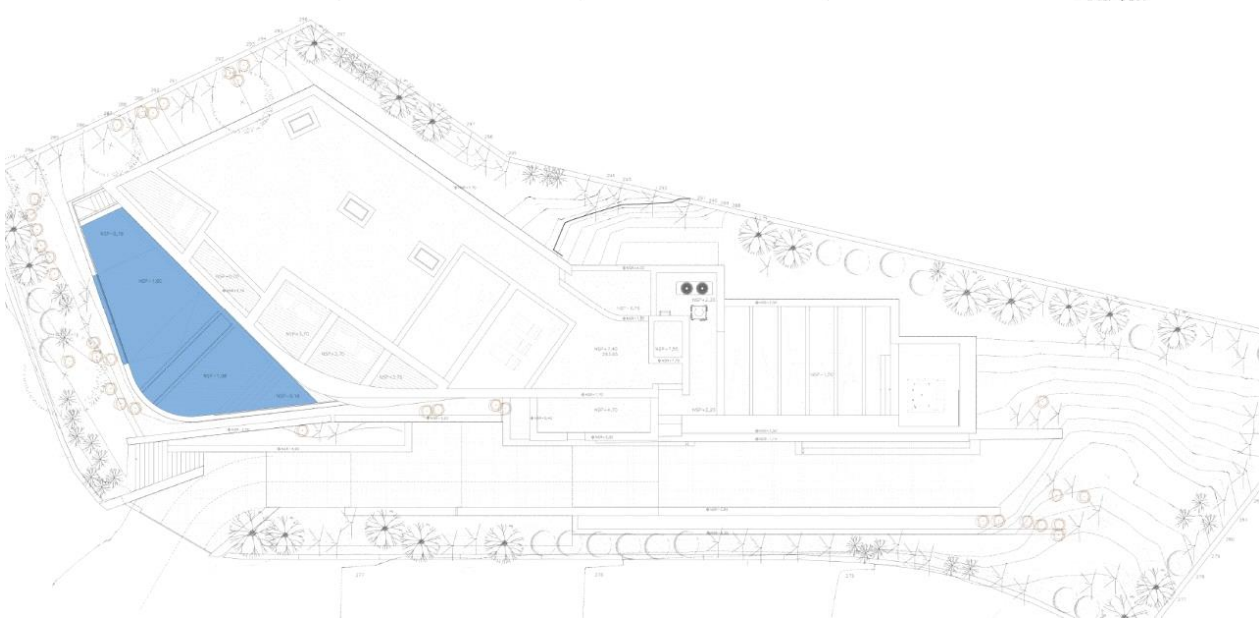

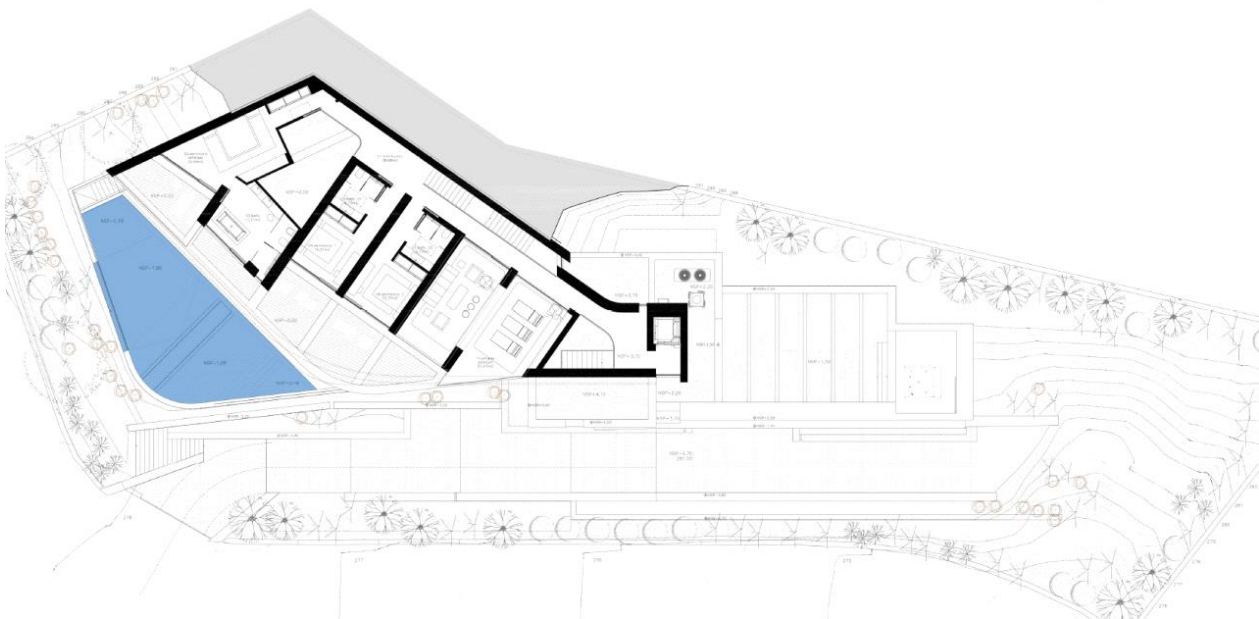

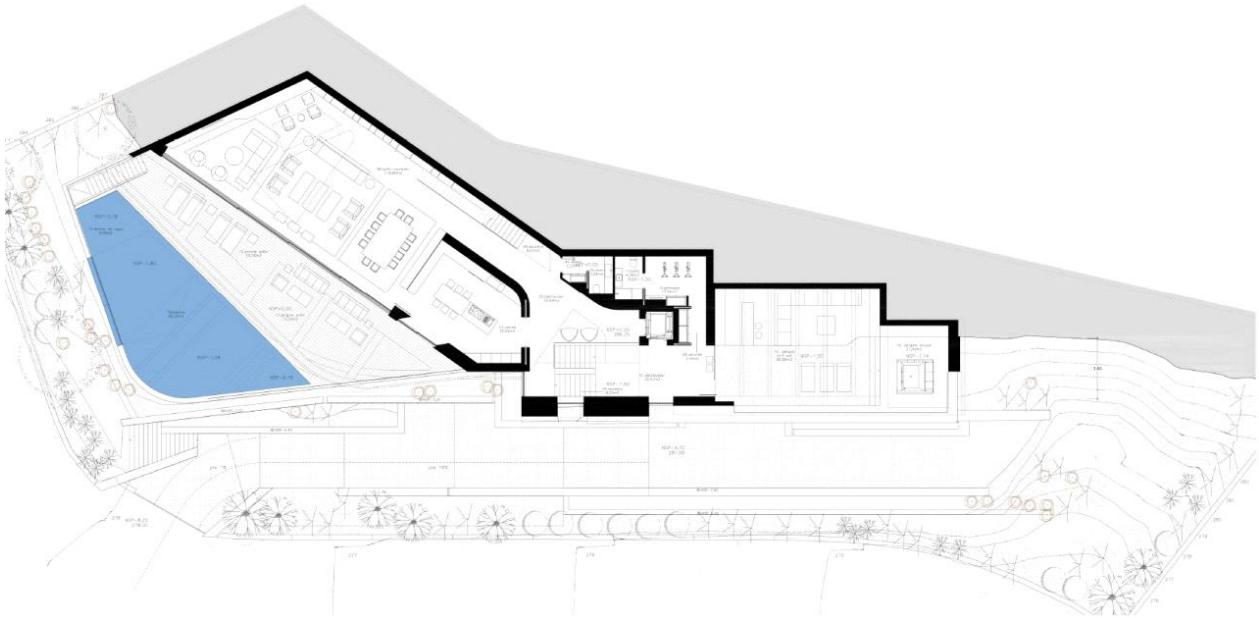

Elegant luxury villa under construction with an architectural landscape located in the residential area of Altea Hills. The villa has three floors, with access from the ground floor, connected by elevator and stairs to all floors, on the middle floor, there is a spacious living room with kitchenette, hall, guest toilet, gym with a toilet and two terraces independent. Through the terrace, it communicates to the infinity pool area. Both terraces offer magnificent views. On the third floor are the three bedrooms, each with a bathroom en suite. These three bedrooms have access to a large covered terrace. This villa is fully equipped with the latest air conditioning / aerothermal facilities, underfloor heating and home automation.
